auDA response to the National Telecommunications and Information Administration's Request for Comments on the Internet Assigned Numbers Authority (IANA) functions

.au Domain Administration (auDA) is the industry self-regulatory, not-for-profit manager of Australia's ".au" country code Top Level Domain. auDA is an active participant in ICANN and regularly contributes to deliberations and policy development within the ccNSO.

As such, auDA has been closely involved in the formulation of the ccNSO's response to the NTIA's call for comments on the IANA functions and fully supports the observations and recommendations contained within that submission.
